## About Heep Hong Society

Established in 1963, Heep Hong Society is a leading education and rehabilitation organisation offering professional assessment, guidance, training and family support. We are committed to helping children and youth of different abilities maximising full potential, empowering families, contributing to an inclusive society.

## Jockey Club Supportive Learning Fun World cum Parents Resource Centre

Sponsored by The Hong Kong Jockey Club Charities Trust and located on the 7<sup>th</sup> floor of the Heep Hong Society Integrated Service Complex, the Jockey Club Supportive Learning Fun World cum Parents Resource Centre houses the one and only indoor playground in Hong Kong. Designed jointly by the professional team of the Society and Playright Children's Play Association, the Fun World provides a free play space for children with diverse needs to explore and to have fun.

We strongly believe that children's creativity, motivation, potential, confidence, social and collaborative skills can be enhanced in a happy lively environment. The newly installed climbers can also help to improve their physical fitness and motor coordination.
